New York, Sept. 16 (AP)—Thirty-eight crew members of an abandoned British freighter were rescued today by two ships in the hurricane-lashed North Atlantic, but four others were lost.

Coast Guard headquarters said the American rescue ship Cecil N. Bean reported saving 20 crew members of the freighter Leicester from mountainous waves about 400 miles southwest of Cape Race, Newfoundland.

The Bean reported that 18 other crew members were rescued by the Argentine steamer Tropero. The remainder of the Leicester's 42-man crew were reported lost.

Ship Abandoned

The Leicester, a 7,266-ton New York-bound freighter, was caught in the path of the northward sweeping mid-Atlantic hurricane. She has now been completely abandoned, the Bean messaged.

A brief message received by Coast Guard headquarters said the remainder of the Leicester's crew were lost during the hurricane Tuesday night. The New York agent for the Leicester said she carried a 42-man crew.

Coast Guard officers said the Atlantic hurricane which swept north from Bermuda had "cut a swath" through the area where the Leicester was reported abandoned. Strong winds churned up heavy seas in the region, they said.

Bound For New York

The Leicester left London September 4, for New York. Her owner is listed as the Federal Steam Navigation company, LTD., of London.

The New York agent for the Leicester said her skipper was Capt. H. N. Lawson. The agent said the Liberty-type vessel was en route in ballast to New York where she was to take on general cargo for Australia.

Skipper of the Cecil N. Bean is Capt. Edward Serafin of Norfolk, Va. The rescue ship, owned by the U. S. Maritime commission and under charter to the Fall River Navigation company, was also in ballast en route from England to New Orleans.

Meanwhile the Coast Guard Cutter Bibbs messaged that she had reached the storm-battered Portuguese fishing schooner Gaspar 300 miles off the Newfoundland coast.

CAB URGES END TO MAIL PICKUP

Washington, Sept. 16 (AP)—Civil Aeronautics Board Examiner Warren E. Baker yesterday recommended indefinite suspension of the air mail pick up and delivery service provided in western Pennsylvania and surrounding states by All American Aviation, Inc.

Baker said, however, that suspension of the pick up and delivery service should not begin until the start of conventional type service which All-American plans to offer some cities in the area involved.

The pick up and delivery service differs from conventional service in that mail is snatched from the ground by planes still in flight and is delivered by dropping it from the air.

The airline asked for suspension of its pickup and delivery service provided the Aeronautics Board grants All American permission to begin additional conventional service. Baker's recommendation, however, was not based on the granting of such permission, he said.

All American, which maintains headquarters in Wilmington, Del., operates 1522 miles of routes centered in Pittsburgh with terminals in Huntington, W. Va., Cincinnati, Ohio, Jamestown, N. Y., Williamsport, Pa., and Philadelphia.

Solicitors For Auxiliary Busy

Volunteer solicitors, numbering nearly 100, have begun a canvass for contributions for the benefit dance and card party sponsored by the auxiliary of the Warner hospital to raise funds for the establishment of a department of bronchocopy at the hospital. The dance and card party will be held at the Moose home September 23.

Cash contributions of any amount will be accepted. Mrs. Elmer W. Warren, chairman, said today. Solicitors will cover nearly all of Adams county and nearby areas in Maryland. Checks, payable to the auxiliary, may be addressed to Mrs. Warren, Springs avenue.

Patron tickets, priced at \$5, will admit two persons to the dance and tickets for the card party are \$2 and will admit one. In addition, donations of cakes, to be sold at the card party, and prizes for cards, are needed. Mrs. Warren said.

COLLEGE HOLDS FORMAL OPENING THIS MORNING

"Let's dedicate ourselves to great dreams, magnificent appreciation and simple faith in God," Dr. Henry W. A. Hanson, president of Gettysburg college, told over 1,200 students at the formal opening of college at the Majestic theater this morning.

Classes will begin tomorrow with what is thought to be a record-breaking enrollment and a record-breaking number of faculty members.

"The great hope of America today lies in institutions such as our own," President Hanson stated. Comparing the opening of college today and 100 years ago in 1848, he told of the 64 students and the four or five professors who composed the college. "Those from a distance came by stage, and those from within 50 miles came on foot with at least two carrying their Sunday shoes over their shoulders. These two later founded institutions in Ohio."

Three Great Things

Comparing 1948 and 1848, Dr. Hanson stated, "The times that are smooth don't produce great characters." He told of Daniel Webster, Walt Whitman, Henry Wadsworth Longfellow and Elias Howe who were outstanding a century ago. "Back in the shadows was developing Abraham Lincoln on hardships and great personal sorrow."

Dr. Hanson told of the time-saving devices of today and how people never had less time than now. He remarked how the education system seems to be following Germany's education of a few years ago.

Speaking of security-conscious America, the college president stated, "Every type of insurance has been developed in America. . . . An institution seeks to train individuals in the kind of world in which they're going to live. In education on every level, dollars are going to recede and be followed by dreams."

"Three great things that we must come to in America are: first, to recognize dreams as an essential part of all education. . . . life without a dream is like a body without a soul; second, a standard of values. . . . any college that sends out in the world a man who has inferior standards of measurements will give us worse leaders than we have now; and third, use things made available for the purpose they are made."

Registration continued at the college this afternoon and a final count is expected to show about 1,225 students registered with approximately 600 civilians and 625 veterans.

POLITE THIEVES LEAVE CLUES

Allen Gelwicks, Emmitsburg garage owner arrived at work early Wednesday morning to find the garage had been visited by a polite thief or thieves.

Whoever had entered the garage sometime late Tuesday night or early Wednesday morning had rung up "Paid Out 60 cents" on the cash register and then had removed the pennies left in the register overnight. He, or they, also left a note in the cash register, weighted with a penny, stating "Thank you."

The polite intruders broke a window on the north side of the garage in order to enter and besides leaving a note also left some footprints behind. The footprints were imbedded in wet concrete which had been laid Tuesday night. In addition to helping themselves to the pennies the thieves also drank several bottles of a soft drink.

Maryland state police are continuing an investigation into the burglary. Wednesday two hitchhiking youths were picked up here for questioning on the matter by local state police but were released when it was discovered that they were not responsible for the robbery.

Man Is Jailed On Two Charges

Oliver Kaufman, Fayetteville R. D., arrested Wednesday on surety of the peace and assault and battery charges, on a warrant sworn out by John W. Naugle, also Fayetteville R. D., was held for court on both charges by Justice of the Peace John H. Bashore, following a hearing Wednesday night. He was remanded to jail in default of \$1,000 bail on each charge. The charges grew out of an alleged fight between Kaufman and Naugle last Sunday night, Bashore said.

Patron tickets, priced at \$5, will admit two persons to the dance and tickets for the card party are \$2 and will admit one. In addition, donations of cakes, to be sold at the card party, and prizes for cards, are needed. Mrs. Warren said.

Local Boy, 15, Has Symptoms Of Polio

Charles Walter, 15, son of Mr. and Mrs. Leo Walter, 147 West Middle street, was removed to the contagious ward of the Harrisburg hospital Wednesday night with what his attending physician said were symptoms of possible infantile paralysis.

The boy has been ill for the past few days, but the possible polio symptoms did not develop until Wednesday. There has been no paralysis, the physician said. There is one other brother at home. The house was quarantined Wednesday by Health Officer Eric R. Deardorff.

LOCAL FIREMEN WILL ATTEND STATE CONFAB

Twenty double rooms in the Daniel Boone hotel in Reading will be available for Gettysburg firemen attending the annual state convention in that city October 5, 6 and 7. James B. Aumen, president of the Gettysburg fire department, reported at the regular September meeting Wednesday night, held at the Firemen's Retreat in the mountains. In addition, two rooms have been reserved in the Berkshire and two in the Abraham Lincoln hotels, he said.

Mr. Aumen will make his headquarters in one of the rooms in the Berkshire, unless he is unable to attend the convention, he said. To date, 108 fire companies have signed to participate in the annual parade at Reading.

One new application for membership was received at Wednesday night's meeting, that of John Charles Murray. It was referred to a committee composed of Clarence Schultz, George Bushman and Richard Eisenhart for investigation. Three were elected to membership, William B. Gallagher, Daniel Miller and Richard H. Finkboner.

Fire Chief James A. Aumen, reporting on the block party for James Shenk, chairman, who was ill and not present at the meeting, said net proceeds would be over \$4,000. A detailed report was promised at the next meeting.

The firemen voted a donation of \$25 to the Warner Hospital auxiliary in connection with its benefit card party and dance. An invitation to place a team in a new bowling league to be composed of local clubs and organizations, was tabled.

A proposed amendment to Article 5, section 3, of the constitution, to limit the active membership of the fire company to 125, and the total membership to 175, was laid on the table for 30 days. The amendment (Please Turn To Page 7)

ROA CHAPTER ADDS MEMBERS

Three county men were announced as new members of the Adams County Chapter of the Reserve Officers' association Wednesday evening at the first autumn meeting of the organization held at Glatfelter hall.

The new members are Lt. Comm. James G. Krout, Jr., Highland avenue; Major Oliver D. Coble, Benderville, former army chaplain, and Lt. Harry G. Troxell, East Broadway. Capt. Joseph Heiney, Chambersburg street, was appointed chairman of the program committee and arrangements were made for the county branch to meet hereafter following meetings of the 901st Composite Group, the reserve outfit to which most of the members of the county chapter belong. With the 901st planning to meet twice a month the reserve officers' organization will hold its session following one of the regular 901st meetings each month.

Motion pictures on India and on war-time application of industry were shown. Capt. Joseph H. Riley, York street, reported on the picnic held by the association this past summer.

PUTMAN SPEAKS TO SEMINARIANS

The Rev. Dr. Dwight F. Putman, president of the Central Pennsylvania Synod of the United Lutheran Church, brought greetings from the synod to the student body of Gettysburg Lutheran Theological Seminary Wednesday night.

Doctor Putman spoke at the annual reception held by the faculty of the seminary for the students at the refectory. The faculty members and their wives formed a reception line at the refectory for the new students and the returned students at the start of the program. Dr. and Mrs. Harvey D. Hoover headed the line. Doctor Hoover is acting president of the seminary in the (Please Turn To Page 2)

"CHALK TALK" PRESENTED AT CLUB LUNCHEON

Walter Trout, art director in the York public schools Wednesday afternoon presented a "chalk talk" to the members of the Woman's club of Gettysburg gathered for their annual fall luncheon meeting at the Hotel Gettysburg. The session marked the resumption of meetings after the summer recess.

Utilizing such poems as "The House By The Side of the Road," Trout recited the poem while rapidly

sketching the scene suggested by the poem. The talk was the 380th such lecture given by the York man. An historian, Trout has made water colors of more than 120 buildings of historical interest in York and Adams counties.

A high point of the speaker's talk was the recitation of Lincoln's Gettysburg Address during which he displayed a crayon drawing he made, prior to the meeting, of President Lincoln. He concluded his talk with the recitation of verses from Kipling which he illustrated with crayon drawings.

Introduce New Member

Mrs. Henry W. A. Hanson gave the opening prayer. Mrs. James G. Sneeringer was introduced as a new member of the Woman's club.

The tables were beautifully decorated with fall flowers donated by members of the club and arranged by the hostess committee.

Past presidents of the club were at a special table for the program and were presented with corsages. Corsages were also given to the present president, Mrs. Henry M. Scharf and to Mrs. Robert Derck, who presented several vocal selections during the meeting. Mrs. S. F. Snyder accompanied Mrs. Derck at the piano.

Past President's Present

BULLETINS

Tokyo, Sept. 16 (AP)—Ten central Honshu prefectures were lashed by a typhoon tonight as winds up to 60 miles an hour zipped east of metropolitan Tokyo.

At least two were dead, three injured and 23 missing in the 10 prefectures, early reports indicated.

Torrential rains deluged sections north and west of Tokyo sending rivers on rampages.

New Delhi, Sept. 16 (AP)—India prepared today to take over the government of Hyderabad as soon as Indian troops, already deep in the princely state, win control.

The Indian government announced the appointment of two provincial officials to be joint civil administrators of Hyderabad, and of other Indian civil authorities.

Berlin, Sept. 16 (AP)—Some 150 German youths stoned three policemen in the Russian sector of Berlin today, the Soviet-controlled press reported.

This was the third stoning of eastern sector police in recent weeks. The first two drew gunfire from the police and resulted in the death of

Killalea-Yost Wedding Is Held

Mr. and Mrs. John N. Yost, Baltimore, announce the marriage of their daughter, Miss Janice Nancy Yost, to Joseph Neil Killalea, Gettysburg R. D., on Saturday in Baltimore.

In attendance at the wedding were the bridegroom's parents, Mr. and Mrs. Edwin Killalea, and his sister, Miss Patricia Killalea, and also Mrs. Elliot Taylor and Miss Christine Cunningham.

Miss Yost was graduated from Gettysburg college on May 31. She is a member of Phi Mu social sorority.

Mr. Killalea is a veteran of three years' service in the Navy, in the Atlantic, Pacific and Mediterranean areas. He attended Duke university, DePauw university, and was graduated from Gettysburg college this year.

EMMITSBURG'S COLLEGES OPEN FOR NEW TERMS

Mount Saint Mary's college and St. Joseph's college at Emmitsburg today began the 1948-49 scholastic year.

Solemn masses at both schools this morning formally marked the beginning of the college years. For Mount Saint Mary's the school was beginning its 148th year, for St. Joseph's the 138th year was beginning.

At the men's college, Mount Saint Mary's, 665 students began their studies immediately after the mass. The number was the largest enrollment in the history of the school. Included in the number were 200 freshmen of which 50 per cent are World War II veterans. The number of veterans in all classes totals 60 per cent. At St. Joseph's 57 freshmen had been signed and several additional students are expected in the near future. Total registration is approximately 200.

Freshman registration took place Wednesday at St. Joseph's and freshmen and upper classmen registered Tuesday and Wednesday at Mount Saint Mary's.

While the students began their work immediately at Mount Saint Mary's, St. Joseph's will not begin formal classes until Friday. Following the mass at St. Joseph's at 8:30 o'clock this morning, which followed a procession of the faculty and students, a faculty breakfast was held to formally introduce new members of the faculty and welcome back former instructors. Upper classmen at St. Joseph's were registering today.

WILL DEDICATE NEW MUSEUM

A logging museum will be dedicated at the state park at Caledonia on Sunday, September 26, at 2:30 o'clock, it was announced today by Tom Norris, state forester.

The museum will be located in the building erected in 1937 on the park grounds by the NYA and unoccupied since that time. It is situated just off the Caledonia-Pine Grove road and about a half mile from the Lincoln highway.

An invitation has been extended to Governor Duff to attend the exercises. Lieutenant Governor Daniel B. Strickler and M. F. Graemel, secretary of Forests and Waters, are expected to attend. An address on logging history will be given by Col. Henry Shoemaker, of the Pennsylvania Museum.

The museum will be open throughout Pennsylvania Week which opens on September 26. The building has been redecorated and re-lighted and exhibits are now being placed.

Returned Here On Robbery Charge

Aubrey H. Hinkle, East Berlin, arrested at the Cumberland county jail in Carlisle Wednesday on a detainer filed there from Adams county charging him with burglary and robbery, signed a plea of guilty before Justice of the Peace John H. Bashore this morning and was remanded to jail to await sentence.

State police of the Gettysburg sub-station said Hinkle was charged with breaking into the Lerew, Inc. garage at East Berlin last December 6 and stealing several tires and a used battery, total value of which was valued at \$250.

Hinkle was brought to Gettysburg Wednesday by Sheriff Dorsey Shultz after completing a sentence in Cumberland county for larceny, state police said.

8 PRESENTED CERTIFICATES FOR NURSING

Eight young women who had undergone one year of training at the Warner hospital received certificates as "assistant nurses" Wednesday evening at graduation exercises held at the Methodist church here.

Two prizes were awarded during the program by Miss Lois R. Benson, director of nurses, at the hospital and instructor of the course. Miss Alice Tressler was awarded a prize for scholastic standing and Miss Phyllis McClellan won the honors for achievement.

"The graduates gave an excellent account of themselves during the past year," Miss Benson said in an address to the class and the approximately 60 parents and friends gathered for the service. "You can be proud of this group, they have done their work well. I cannot count the number of compliments on their work which I received during the past year from the patients at the hospital. And the compliment given by the patient is one to be treasured. It is proof that they have done their work with utmost diligence, skill and devotion."

Urgent Need for Nurses

The "assistant nurse" idea developed from the Red Cross sponsored Nurses' Aide program during the war, Miss Benson added. "There has always been a need for such workers in hospitals. During the war and since then the number of patients (Please Turn To Page 8)

LITTLESTOWN'S JOINT SCHOOL BOARD MEETS

The regular monthly meeting of the executive board of the Littlestown Joint School System was held Tuesday evening in the senior high school library with H. Allen Walker presiding and all members of the board present.

Supervising Principal Paul E. King presented his report which stated work has begun on the new addition to the high school by the contractor, I. H. Crouse and Sons, on September 13.

There are now a total of 957 pupils in attendance in the various schools as follows: Littlestown borough: First grade, 32 pupils; second, 34; third, 29; fourth, 38; fifth, 30; sixth, 30; seventh, 108; eighth, 97; ninth, 84; tenth, 48; eleventh, 50 and twelfth, 37, or a total of 617. Germany township has: Oak Grove school, 29; Mt. Pleasant, 26 and Mt. Vernon 27 or a total of 82. Mt. Joy township has: 28 at Two Taverns; 32 at Pleasant Grove and 87 at Hoffmans or a total of 147. Union township has: 28 at Center school; 27 at Valley Grove; 26 at Pleasant Hill and 30 at Pine Grove or a total of 111.

Teachers Pleased

Prof. King also reported that in his visit to the different schools in the jointure during the first week of school, he found the teachers well pleased with the new school program, but he made a few changes in the transportation routes so as to provide better traveling time for the rural students. There are still a few students who are not yet in school which have not secured em- (Please Turn To Page 2)

Atty. Donald McC. Swope Is Elected General Chairman Of Freedom Train Committee

Attorney Donald McC. Swope was elected General Chairman of the Gettysburg and Adams County Freedom Train Committee, at a meeting of Burgess C. A. Heiges' Freedom Train Executive Committee, Wednesday evening in the office of The Gettysburg Times. Burgess Heiges is Honorary Chairman of the town and county committee.

The Committee will be in charge of arranging a week's program of Rededication to Americanism prior to the coming of the Freedom Train here November 19 and 20. It will also arrange a program for the official opening and start of the second tour of the Freedom Train from Gettysburg.

Select Eighteen Committee Heads

Chairmen and Co-Chairmen of 18 other committees were also announced at the meeting, other officers were elected and a budget to finance the Rededication program and the Train's exposition here were adopted.

Henry W. Garvin, President of the Gettysburg Chamber of Commerce, was elected treasurer and Paul L. Roy, editor of The Gettysburg Times was elected secretary.

A budget of \$4,280 was adopted, all to be raised by public subscription. This includes \$2,500 for the two-day exposition of the Freedom Train and the purchase of The American Heritage Foundation's book, "Good Citizen," to be presented to each school pupil in the town and county. The committee plans to purchase 6,000 of these books, said to be one of the finest books on Americanism ever published.

Committee Heads

The following Chairmen and Co-Chairmen of committees were elected:

Finance: Henry W. Garvin, Nick Meligakes, Philip Jones.
Schools: Dr. Lloyd C. Keefauver, J. Floyd Slaybaugh, L. V. Stock.
Industries: John Hauser, James S. Cairns, Barton Poth.
Publicity: Paul L. Roy, G. Henry Roth.

Advertising: Carl A. Baum, E. E. Wolf.
Movies: Sydney J. Poppay.
Retail Stores: Radford Lippy.

Churches: Dr. Ralph Gresh, Rev. George H. Berkhimer.
Veterans: Howard Armor, Jim Hartzell, Roy Alexander, Harry Ridinger.

Speakers: Edmund W. Thomas, Robert Berkhimer, Dr. Robert Fortenbaugh.
Organizations: Jesse E. Snyder, James A. Aumen, Charles Lauver.
Railroads: Charles W. Myers, Henry W. Garvin.

Women's Organizations: Mrs. Joseph E. Codori, Mrs. Bruce N. Wolf.
Military: Col. William G. Weaver, Lt. William G. Weaver.

Publications: Dr. J. Walter Coleman, John H. Bashore, Samuel Weiser.
Agriculture: M. T. Hartman, Richard C. Lighter.

Special Events: C. A. Wills, George Raffensberger.
Radio: Attorney Richard A. Brown, H. Earl Pitzer.

Next Meeting Sept. 22
All members of the above committees are expected to attend a general meeting at the Hotel Gettysburg, Wednesday evening, September 22, at 8 o'clock. Frank Crane, Pittsburg, Area Director for The American Heritage Foundation, will outline the complete program for the Freedom Train events here. He will also show two films, prepared for the Freedom Train by the National Council of Moving Picture Producers.

This will be the most important meeting of the General Committee and Burgess Heiges emphasized the necessity of every member being present.

In explaining the small budget for the November program Mr. Heiges said: "We have purposely held down the budget for this town and county program. Our quota for the Freedom Train's appearance here for two days is only \$2,500. We are fortunate in this respect when we consider that Pittsburg was assessed \$60,000 for a three-day visit of the train. Newark, N. J., which will display the Train after Gettysburg, is paying \$45,000 for two days.

All May Contribute
"The Committee also decided to raise the money to purchase the 'Good Citizen' book for presentation to school pupils instead of having this money raised through the industries as it is customary in some communities where the Train visits.

"More than \$250 has already been pledged, voluntarily, by three local business places without our solicitation. In a few days a letter will be addressed to business places and industries for contributions to the Freedom Train fund in an effort to raise the budget without personal solicitation.

"Anyone interested in this fine program may send their contributions to Henry W. Garvin, president of the Gettysburg Chamber of Commerce. All contributions will be publicly acknowledged."

VFW AUXILIARY HOLDS MEETING

A regular meeting of the VFW auxiliary was held Wednesday evening at the post home on Carlisle street with Mrs. Charles Lauver, the president, presiding.

Mrs. Lauver appointed Mrs. Rose Anzengruber as coupon chairman. It was announced that a bus will go to Chambersburg on Sunday, September 26, for the district meeting which all local members are urged to attend. Anyone desiring to go is requested to contact Mrs. Lauver.

It was decided to send the auxiliary officers to a conference in Harrisburg on October 2 and 3. In addition to Mrs. Lauver the officers include Mrs. Harold Culp, secretary, and Mrs. Ralph Johnson, treasurer.

The following were announced as the merchandise club chairmen: Mrs. Ruth Jacobs, chairman, Ruth Miller, Genevieve Rose, Lottie Ridinger, Beulah Furney, Mary Pridinger and Mrs. Lauver.

Following the meeting refreshments were served.

The next meeting will be held October 6. The refreshment committee for October includes Mrs. Harold Culp, Mrs. Robert Shearer and Mrs. Eugene Sickles.

MAYERS-KERNS WEDDING HELD

Wednesday evening at 7 o'clock in St. Mary's Reformed church, Silver Run, Miss Janet Marie Kerns, daughter of Mr. and Mrs. Thomas H. Kerns, Prince street, Littlestown, became the bride of Wilbur I. Mayers, son of Mrs. Catherine Mayers, East King street and the late Ernest W. Mayers. The double ring ceremony of the church was performed by the pastor, the Rev. Charles A. Price, in the presence of a number of relatives and friends.

They were attended by Miss Jacqueline Baughman, Littlestown, and Merle Rudisill, Gettysburg.

The bride wore a gray street length dress with red accessories and corsage of red rosebuds. Miss Baughman wore a gray dress with black accessories and a corsage of mixed flowers.

A reception followed at the home of the bride's parents. The room was decorated with cut flowers. A three-tier wedding cake, topped with a miniature bride and groom occupied the center of the refreshment table. They were the recipients of many gifts.

The groom is a graduate of Littlestown high school, class of 1947, and is employed at the Keystone Cabinet works. The bride attended Littlestown high school. For the present, they will live at the home of the groom.

STUDENT FINED IN CAR CRASH

Rocco J. Gambacorta, Camden, N. J., was fined \$5 and costs by Justice of the Peace John H. Baschore Wednesday evening on a stop sign violation charge filed by borough police following an accident at West Middle and South Washington streets. He is a student at Gettysburg college, authorities said.

Gambacorta's car and a Little taxicab driven by Donald Drake, 417 Baltimore street, collided at the intersection when the former failed to stop for the stop sign at 5 o'clock Wednesday afternoon, police said. No one was injured. Damage to the car was estimated at \$35 and to the taxicab, \$80.

An automobile driven by J. Robert Morgart, York, proceeding east, struck a bicycle rider, Simon Snyder, 205 West Middle street, on Buford avenue at the top of the hill at 12:45 o'clock Wednesday afternoon, police reported.

The boy, who was turning around at the Confederate avenue intersection, suffered a bruise burn on his left elbow and a bruise on his left leg, according to police. The bicycle was damaged. No charges were filed.

Woman Is Fined Following Accident

An automobile operated by Carolyn Faires Neel, Gastonia, S. C., and one driven by Byron Miller, York R. 4, collided on the Lincoln highway four miles west of York at 5:15 o'clock Wednesday afternoon when the Neel car made a left turn in front of the other vehicle, state police of the Gettysburg sub-station, who investigated, reported.

Miss Neel was proceeding west and Miller was driving east, the report said. Damage to the two cars was estimated at \$300. Miss Neel was charged before Justice of the Peace Harry Fisher, York county, with making an improper left turn, and paid a fine of \$10 and costs. No one was injured.

FALLS FROM LADDER

A ladder turned while John Sprengle, 55, of Fairfield, was atop it picking apples Tuesday afternoon and Sprengle was spilled to the ground. He was taken to the Wayne-noboro hospital suffering from a back injury. Held for observation, Sprengle was found to have suffered no broken bones. The mishap occurred at the Wishard orchard on Jack's mountain.

Wedding

McDannell Bender

Miss Hilda M. Bender, daughter of F. J. Bender, Millersville, and the late Mrs. Bender, and Roy W. McDannell, Lancaster, son of the late Mr. and Mrs. Moreen McDannell of Arendtsville, were married at 8:30 p. m. Friday, September 3, in Zion Evangelical and Reformed church in Millersville. The Rev. Irvin L. Rudisill, pastor of the church, officiated.

Miss Helen McDannell, sister of the bridegroom, was maid of honor and Richard Bender, the bride's brother, was best man.

Mr. McDannell, who formerly was employed here by Western Union, now is employed by the Associated Press at Harrisburg. The couple will make their home at Camp Hill.

Methodists Enjoy Birthday Supper

The Women's Society of Christian Service of the Methodist church held its annual birthday supper Tuesday evening at the church. The twelve tables were decorated, each in keeping with the month which it represented.

A profusion of flowers was used on the tables and in effective arrangements throughout the rooms.

Mrs. Milton R. Remmel pronounced grace. Mrs. Floyd A. Carroll, chairman of the committee, took charge of a program which was presented in the Sunday school room of the church. Miss Shirley Kennell played two piano solos and Miss Margaret McMillan read two poems, "A Night of Miracles" and "Fa at the Pearly Gates."

A short play, "Sunday Morning in Everybody's House," was presented by the following cast: Wayne Weagley, Mrs. Bernard Murray, Miss Eleanor Peggam, Miss Doris Miller, Miss Peggy Norman and Joe Dan Norman.

In closing the group joined in singing "Blest Be the Tie That Binds."

SEEKING DIVORCE

A suit for divorce has been started in Cumberland county courts at Carlisle by Mrs. Mary G. Hershey against Q. Baird Hershey, both of Mechanicsburg R. 2. Indignities are alleged. The couple, who formerly resided in York Springs, were married November 9, 1929, at Hagers-town.

Harrisburg, Sept. 16 (P)—Mrs. Elizabeth Sanker, who celebrated her 100th birthday anniversary on Feb. 9, died yesterday at the home of her daughter, Mrs. W. P. Litzinger. Survivors include 12 great-grandchildren.

Harrisburg, Sept. 16 (P)—The 14th annual session of the East Pennsylvania conference, Evangelical United Brethren church will be held Sept. 28-30 at Mt. Joy, Lancaster county, with Bishop J. Halm-er Showers, Harrisburg, presiding. A pre-conference banquet will be held Sept. 27.

Annaville, Pa., Sept. 16 (P)—Appointment of Dr. Frederick K. Miller, head of the history department at Lebanon Valley college, as assistant to President Clyde A. Lynch was announced today. Dr. Lynch said Dr. Miller's new position, with a reduction of his teaching assignment, will include special administrative duties such as direction of the student government organizations.

NO BLAME IN 'SPIRIT' DEATH

Palmer Rapids, Ont., Sept. 16 (P)—A coroner's jury refused last night to blame any one for the "Holy Spirit" death of Violet Gogolin.

Witnesses testified at the inquest that Violet, 18, walked into the Madawaska river and drowned August 22 because she was impelled to do so by the "Holy Spirit."

"I guess," her father told the five-man jury, "it was pleasing to God that way."

The witnesses said Violet's death occurred at the height of a night-long family religious service at Violet's farm home near here. They told the jury she walked into the river after "receiving the blessing" at 4 a. m., at the end of seven hours of "praising the Lord."

Violet's sister, Viola, 23, stood on the meeting house dias in an ankle-length dress and recounted how she saw her sister die in the moonlight. She testified: "Violet said, 'Faith is the victory.' She was praising God. I was praising the Lord. Then she walked into the water until it pretty well covered her head."

There was no struggle, Viola said, and Violet did not call for help. Viola said she went for a boat to help her sister, "but I was pushed back by the Spirit."

Veterans Among Draft Registrants

Only 13 veterans of World War II were among the 195 men born in 1929 who registered Wednesday at the arbitration room in the court house for selective service.

Up to the close of business Wednesday night 2,267 had been enrolled for the draft including 1,181 veterans. This morning 62 were registered bringing the total at noon to 2,327.

Registrars at the arbitration room today were in charge of Mrs. G. W. Lefever. A list of the registrars will be printed Friday.

Men born in 1929 were registering today. Friday and Saturday the registration period will conclude with men born in 1930 prior to September 19 registering.

After the reception, refreshments were served with Mrs. Carl C. Rasmussen and Mrs. Harry P. Baughman pouring. Doctors Rasmussen and Baughman comprised the committee for the reception.

Man Starving To Death Had \$17,000

Jersey City, N. J., Sept. 16 (P)—A 73-year-old retired city employe had \$17,000 in cash strapped around his waist when taken to Medical Center suffering from malnutrition, hospital authorities disclosed today.

They gave his name as John C. McDonald, a widower, who collapsed last week in front of his home across the street from city hall.

Hospital employes, putting him to bed, found a money belt with the cash in small denominations under his clothing.

Neighbors said the man, who lived alone, existed on a half can of soup and a slice of stale bread a day.

ployment certificates. He stated that these pupils have been notified either to secure the certificates or return to school or according to state laws their parents will be liable for truancy charges. Seven students in the jointure were granted working permits since the start of the school semester.

Prof. King announced that school safety patrols have been organized in the Littlestown borough schools and are working very efficiently. He recommended to the directors that the rural schools also organize patrols where the schools are located along the main highways.

The report also informed the group that football practices have been under way since August 16 and a scrimmage game was held on September 13 with Boiling Springs at Littlestown.

The high school drill band has been reorganized and the first practice was held September 14. School guide books and copies of the school activities calendar were presented to the board and approved. Each teacher and director of the jointure will receive a courtesy card which is non-transferable and will admit them to all school programs in the jointure.

The board also approved the policy which has been in effect the past two years by the Littlestown borough board by which each non-profit charitable organization in Littlestown was granted the use of the high school auditorium for one night during the school year at a rental of \$1 per night plus janitor's service. Should any of these organizations desire use of the auditorium for more than one night, approval must be secured from the executive board. For use by any other organization or group, the nightly rental fee will be \$25 for the first night, plus \$15 for each succeeding night. Authorization was also granted at this meeting to the Littlestown members of the Warner hospital auxiliary for use of the auditorium on October 15 for a musical program, the proceeds of which will go to the hospital to be used toward the purchase of a bronchscope for the hospital.

President Walker appointed Wilbur Mackley and Henry Waltman of the Littlestown borough board to be members of the school athletic council. The board also granted approval of the athletic council to plant posts around the football field to support rope to keep the spectators off the field at the football games. Mr. King, at his request was given permission to have a dismissal bell

From where I sit ... by Joe Marsh

"Farming" Versus "Ranching"

Talked to some editors who run my column in their papers—in states where there's mostly cattle and sheep raising—about the differences there might be between farming and ranching.

And they told me: "Joe, there's no real difference between cattle-men and farmers. We make our living from the land like you folks do; we have the same 4-H Clubs and Granges; the same problems of prices and marketing.

"When it comes to recreation, we have the same liking to get to-

gether now and then for a barbecue and a friendly glass of beer."

And from where I sit, that about sums it up. Ranchers may have different names for things or grow different crops. But all over America folks who work the land share those common traits of hard work, sober moderation, and good fellowship, whether they're growing cattle for beef, or barley for good American beer and ale.

Treasurer James Strevig, reported receipts of \$8,950. Bills were ordered paid in the amount of \$13,579.05, of which \$8,091.99 is for teachers' salaries.

Those present at the meeting were H. Allen Walker, president, Luther S. Hess, Clayton Harget, James Strevig, George Worley, Willis Waybright, Lloyd E. Crouse, Luther Ritter, Professor King and Henry E. Waltman, secretary. The next regular meeting of the board will be held Tuesday, October 12.

Gets R. C. Promotion

Francis C. Lindaman, son of Mrs. Gertrude A. Lindaman, 16 East King street, has been appointed liaison and security officer for the American military government in Bavaria, Germany. Lindaman left Littlestown on Tuesday for West-over Field, Massachusetts, from where he left by army plane for Frankfurt, Germany, on Wednesday.

Lindaman has been overseas for the last past five years, and during the last two years was director of personnel for the American Red Cross in Great Britain and western Europe. His new appointment with the Department of the Army will involve largely liaison work between the German Civil Government and the Civil Affairs Division of American military government, whose headquarters is in Berlin, Germany. Mr. Lindaman is a graduate of the Littlestown high school and Gettysburg college.

Mrs. Myrtle Leister, near town, was hostess to the monthly meeting of the Ever Willing class of St. John's Lutheran church, Mrs. Harry W. Badders, teacher, on Tuesday evening. The devotions consisted of singing the class song, "Living for Jesus"; the reading of Psalm 87 by Mrs. Edgar E. Yealy; the Lord's prayer in unison and the group singing of "I Would Be True." The following poems were read: "When Father Shook The Stove," Eleanor Tressler; "Its September," Ruth Starny; "Ma And Her Check Book," Mrs. Harry W. Badders; "Nothing To Laugh At," Ruth Strevig; and "Life's Single Stanza," Elizabeth Barnes. Guess packages were received by Mrs. Hope King, Mrs. Ruth Strevig and Mrs. Ruthanna Starnier. The class will have a stand at the public sale of Harry Duttera, East King street, on Saturday. Refreshments were served to the group by the hostess.

The Eagles softball team defeated the Mystic Chain on Wednesday evening by a score of 4 to 3 in the elimination contest. The final game will be played next Wednesday evening when the contest will be between Redeemer's Reformed church and the Eagles.

GHS Host To Westminster In First Home Tilt Friday; 3,000 Seats Now Available

A newcomer on Gettysburg high school's varsity football schedule, Westminster high, will be the opponents of the Maroons Friday evening at 8 o'clock when the locals inaugurate their home season.

Football was started at Westminster only recently but the Marylanders are reported to have come along fast and are expected to furnish the Maroons stiff opposition.

Pans will find ample seating capacity as the result of adding 600 seats to the permanent stands on the north side of the field in the form of two wings to the old stands. The seating capacity of the field is now approximately 3,000.

A crew of workmen Wednesday evening placed new bulbs in all of the lights which were also re-focused.

Gates to the field will be opened at 7 o'clock. The admission price will be 74c for adults and 30c for students.

A mixup in scheduling Westminster and York Catholic high for games here this week was ironed out this week after conferences with school officials.

Heavy Backfield
Westminster will throw a comparatively heavy backfield against the Maroons, one which is reported to have power and speed. The backs will probably include the following: Charlie Peeling, 185, and Bob Settle, 165, halfback, and Earl Herish, 175, fullback.

The line, although somewhat lighter than that of the Maroons, is expected to be as follows: Ends, Faber Trum, 165, and Dennis Boyler, 150; tackles, Jack Hoff, 185, and Calvin Dutcher, 180; guards, Ed Peeling, 160, and Ted Will, 145; center, Grady Canle, 166.

The game will be the first of the season for Westminster. Coach Herb Ruby attended the University of Illinois.

The Maroons have been working hard this week in ironing out the mistakes which cropped up against Delone last week. Harold Dayhoff, guard, twisted his right ankle Wednesday evening and may be forced to the sidelines. For the most part the Maroon lineup is expected to be the same as a week ago with Westerdahl and Donaldson at ends; Williams and Kitzmiller, tackles; Neiber, Dayhoff or Thomas, guards; Bucher, center; Bowling, Bushman, Hottle and Knox, backs.

Other Contests
Other scholastic games of local interest scheduled for Friday will find Biglerville at Mechanicsburg; Delone meeting Hanover on the latter's field; Carlisle, beaten by Middletown, playing host to Palmden; Chambersburg meeting Lebanon under the newly-installed lights at Chambersburg.

The opening South Penn conference game will be played Saturday afternoon when Hershey, 31-0 winner of Hummelstown, plays Shippensburg, 19-0 victor over Quincey, on the Shippensburg field.

Waynesboro high will open its season by tangling with St. Francis Prep at Spring Grove.

BULLETS HOLD 1ST SCRIMMAGE

The Gettysburg college football squad was given its first scrimmage session Wednesday afternoon following its return from the pre-season training camp at Laurel Lake.

Announcement has been made the Bullets will clash with the Shippensburg State Teachers' college squad in a scrimmage on the local field Saturday afternoon at about 2:30 o'clock.

Fortunately only minor injuries have handicapped the Bream-men to date. Jim Way and Don Young, backs; Warner Moore, tackle; Les Giannini and Andy Natale, guards, are those nursing bruises and all will be ready for full duty soon.

Dick Constable, a letterman in 1946 and who missed the 1947 season on a physician's order, has returned to the squad and is showing his old-time form as a ball totter.

The Bullets showed their new T-formation Wednesday and created a favorable impression on side-line fans. The Bullets performed as though they had always worked from a T.

A number of sophomore candidates showed up well in the drill and should prove invaluable during the coming campaign. The Bullets open the season at Drexel on September 25.

Eastern League

(By The Associated Press)

The opponents in the Eastern Baseball league's playoff finals may be decided tonight.

The pennant-winning Scranton Miners put themselves 3-1 ahead of third-place Utica in their semi-final series last night by winning 3-1.

The Hartford Chiefs, who copped fourth place in a run-off game at the end of the season, also hold a 3-1 lead in their best-of-seven semi-finals with the Albany Senators.

Les Studener, who pitched the Chiefs into the post-season contest by breaking a tie with Williamsport, shut out the Senators 3-0 last night.

LOOP APPROVES GRID PROGRAMS FOR 1949, 1950

Football schedules for 1949 and 1950 and the officials' list was approved by the Southern Pennsylvania Interscholastic conference coaches and faculty managers at a meeting at The Adams House here Wednesday night.

After talking over the feasibility of planning circuit clashes two years in advance instead of the former one year, the group voted to accept it upon the motion of Paul Burkhardt, Carlisle. It was also decided that the corresponding dates for games be moved back one week in 1950.

President Guile W. Lefever, Gettysburg, appointed a committee composed of the track managers or coaches of Hanover, Carlisle, Chambersburg and Gettysburg to make a list of permanent events for the annual track meet. The trophy committee appointed for the 1948-49 school year is composed of Mark Burkhardt, Carlisle, and J. McClean Kelly, Mechanicsburg.

The financial report, read by Carl Hamscher, Mechanicsburg, for the absent secretary-treasurer Kelly, showed a balance of \$51.29.

It was announced that the next meeting would be held between football and basketball seasons early in December at which time the football trophy will be presented and the basketball schedules and officials will be approved.

Approximately 40 attended the dinner with Lefever, Lloyd Keefe, George Forney, Howard Shoemaker, Fred Troxell and Fred Haehnen representing Gettysburg high school.

The approved conference schedule for Gettysburg for 1949 follows: Sept. 23, Carlisle, away. Sept. 30, Hanover, home. Oct. 7, Waynesboro, away. Oct. 14, Shippensburg, home. Oct. 21, Chambersburg, away. Oct. 28, Hershey, home. Nov. 4, Mechanicsburg, home.

1950
Sept. 29, Carlisle, home. Oct. 6, Hanover, away. Oct. 13, Waynesboro, home. Oct. 21, Shippensburg, away. Oct. 27, Chambersburg, home. Nov. 3, Hershey, away. Nov. 10, Mechanicsburg, away.

Lewisburg, Pa., Sept. 16 (AP)—Bill Lane, freshman football coach at Bucknell, got a little more than he figured when the frosh reported for their first drill yesterday but he's happy.

Lane had hoped for a good sized turnout. What he got was 106 candidates. They represented one-fourth of the male freshmen enrollment. The Bisons' yearlings open a six-game schedule Oct. 9 against Keystone junior college.

Reading, Pa., Sept. 16 (AP)—The last of the Reading Futurities will be raced today with 15 two-year pacers named for the feature event of the grand circuit program.

The race has attracted such top notch juvenile side wheelers as Burma Hanover, Television, Senates Nora and Rapid Gallon.

Snappy Ann from the stable of Arle R. Phares of New Palestine, Ind., carried off the big prize yesterday in the \$8,380 Futurity for three-year old trotters.

Brissie Going Back To College In Fall

Washington, Sept. 16 (AP)—Lou Brissie, pitching star of the Philadelphia Athletics, is going back to school this fall.

The Veterans Administration, in disclosing this today, said Brissie plans to enroll as a junior at Erskine college in Due West, S. C., under the G. I. bill.

Until the war came along to interrupt his schooling, Brissie attended Presbyterian college in Clinton, S. C.

Brissie was so badly injured during the Italian campaign that he was given up for dead. He needed 23 operations on his legs to enable him to pitch again.

ROCKS LOSE TO YORK IN 13TH

(By The Associated Press)
The York White Roses, who finished third in the Interstate league's pennant race, defeated the first place Wilmington Blue Rocks 5-4 last night to go into the league's final playoffs.

The Trenton Giants exploded for five runs in the eighth inning to defeat the Sunbury Reds 8-3 and deadlock their semi-final series at three games each.

The York-Wilmington game was decided in the 13th inning as pinch-hitter Jim Mims singled to drive home third baseman Tom Giordino. The victory was York's third straight in the series after the two teams had divided in the first two.

Wilmington took a 2-0 lead in the second and added another in the fifth. York rallied with four tallies in the fifth and Wilmington came back in the eighth to tie the score at 4-4.

Don Robertson, who chalked up a regular season's hurling record of 19 wins and 5 losses, was the winning pitcher for Trenton. Robertson had a 3-1 lead going into the seventh inning when a walk issued to Steve Filipowicz, a double by Bob McLean and a single by Bill Van Heut combined to tie the score at 3-3.

Playoff Baseball Tilt At Fairfield

Announcement was made today that Littlestown and Ortranna will clash on the Fairfield diamond Saturday afternoon at 2:30 o'clock in the deciding game of the three-game series in the Adams County Baseball league playoffs.

The winner of the contest will meet Hanover, victor over McSherrystown in the other series, in another three-game affair for the loop title.

CANNERS MEET MECHANICSBURG FRIDAY NIGHT

A veteran, rugged Biglerville high school football team opens an ambitious schedule Friday evening by meeting Mechanicsburg, one of the pre-season favorites for the South Penn conference title, on the Mechanicsburg gridiron.

Nine of Coach Gene Haas' starting lineup earned letters a year ago.

The Biglerville mentor has nominated George Slaybaugh and Robert Weikert to start as ends; Harold Hollabaugh and Donald Hollabaugh, tackles; George Weaver and Richard Unger, guards, and Clyde Naylor, center. All are lettermen except Slaybaugh.

In the backfield Richard Warner will be at quarterback; Clark Heller and Ronald Grimm, halfbacks and Carol Rose, fullback. Only Warner failed to earn a letter a year ago.

Reserves Promising
Coach Haas and Russ Kane have some very promising reserve material and most will see plenty of action. Clair Showers, 270, tackle; Fay Kopp, 180, and Donald Lawver, guards; Richard Pitzer, 180, fullback and left end; Louis Kookan, right end, and Ronald Rice, halfback, are among those who will probably break into the opening night lineup.

The Biglerville coaches were highly pleased with the scrimmage held with Gettysburg high on Tuesday afternoon. The blocking and tackling was sharper and general all around improvement was shown.

Coach Haas is using an unbalanced T formation with a shift into a single wing this year. In fact most of the offense will be of the single wing style formation.

Mechanicsburg was impressive last week in upsetting Swatara Township 25-0 in its opening game of the season. The Cannners will have to be at their best to have an even chance for victory.

Tall, easy swinging Dorothy Kirby looked like the girl to beat for the title today as eight survivors headed into the fourth round of the Women's National Amateur Golf championship.

The Atlanta miss, who reached the finals in 1939 and lost to Betty Jameson, and again reached the threshold last year at Detroit, only to lose to Louise Suggs, is no sure bet to grab the big prize of women's golf.

Ahead of her are such skilled players as Polly Riley, Peggy Kirk, Helen Sigel, Grace Lenczyk, Mrs. Peggy Holmes, Margaret Gunther and Dorothy's most immediate threat, 24-year-old Beverly Hanson of Fargo, N. D.

MEYER WOULD LIKE 'UPSET'

By JOE REICHELER
New York, Sept. 16 (AP)—Billy Meyer, the realist, would like nothing better than to pull the upset of the year by winning the National league pennant, but the astute Pittsburgh pilot doesn't believe any team will catch the runaway Boston Braves now.

"The schedule is very much in their favor, and with Johnny Sain and Warren Spahn pitching every other day like they've been doing, I don't see how my club or any other team can catch the Braves," he said.

"Boston has only 15 games left to play, most of them at home," he went on. "Except for four games with Cincinnati at Forbes Field, we play all our remaining games on the road."

"Then too, we simply don't have the pitching depth needed to make up that five-game deficit. My staff is tired and overworked. Those doubleheaders in recent days, haven't helped either. I was forced to start such veterans like Fritz Ostermuller and Elmer Riddle against Brooklyn yesterday with less than their customary rest. Their work showed it, too."

The grizzled 55-year-old native of Knoxville, Tenn., in his first Big League managerial attempt, confessed he was highly satisfied with his team's showing this season.

WITHOUT TROUBLE

There is little interest in a cloudless sunset. A friend has sent to me an expression of an old lady over eighty years of age, in Paducah, Kentucky. Her minister called upon her, after a long month of suffering, but this is what she said: "I have often asked the Lord for enough clouds during my life to make a beautiful sunset!"

Without trouble and tribulation there would be little background for all the joys that heal, and all the beauty that gives color to the varied experiences of life. Through suffering we are made humble and appreciative for all the manifold blessings that are so lavishly strewn about our pathway.

I welcome the rainy days, for they make the sunny ones so pronounced and appreciated. Vacationists will bear me out on this. If every day were like a joy-ride through life, there would be few heroes, and an overabundance of weaklings and drones.

Trouble is often a blessing in disguise. Without it we would lose contact with faith and be a stranger to courage. We think, we become creative, we sacrifice, and we pray, when trouble comes our way. And when it passes, as it always does, we are freer and braver for having experienced it. The important thing is not to let trouble get us down — for then it often tramples upon us, leaving us bruised and revengeful.

As that dear and devout old lady said, it takes a great group of varied clouds to make the magnificent sunset. All this summer I would watch for the coming clouds, as the day receded, for then I knew that there would be color and matchless beauty to the sunset designed and painted by the greatest Artist of all.

Trouble should never make complainers out of us. That would be to crown trouble and give it the high way! Trouble is one of the ingredients of a strong character, the same as alloy is in holding together pure gold. Never dodge trouble. Meet it face to face. Conquer it — and its defeat will be behind you.

Tomorrow Mr. Adams will talk on the subject: "Self-Sufficiency."

BOYHOOD MEMORY
I remember years ago a home that fell apart

When I was too young to know what it meant of ache and smart

And I heard my father say: "In a land that's far away

On a new career I'll start."

Then, to Michigan we came and it's here that we have stayed.

Now I'm grateful to my father for the courage he displayed.

When disaster struck the home I was but a youngster small; Didn't understand just why such a tragedy should fall.

But, as time went by, I learned Why he never backward turned.

So my father loved us all That he left his native land and the friendships of the years,

That his children unrestrained might set out on their careers.

I remember that he said many, many times to me:

"When you're old enough, my boy, an American you'll be.

With devotion give your love To the starry flag above."

Now although it's fifty years since The Lord called him away,

"There's no happier land than this," still I hear my father say.

SOCALITE AND WEDDING GIRL WED IN GEORGIA

Folkston, Ga., Sept. 16 (AP) — Polo playing Francis Hitchcock and tall, willowy Stephany Saja, a Pennsylvania coal miner's daughter, were honeymooning today after a surprise elopement to this south Georgia "Gretchen Green."

The 23-year-old bride, who left her native Windber, Pa., and went to New York to become a clerk in a brokerage firm, was married to the balding 39-year-old Hitchcock here last night by Charlton county judge A. S. McQueen.

A simple single ring civil ceremony was used in the nuptials. It was the first marriage for the bride, the third for the socialite groom.

Immediately after the ceremony the couple left for the Kentucky-Florida club, an ultra exclusive club five miles from Deland, Fla. A friend said the civil marriage last night would be followed soon by a church ceremony.

The last legal barrier to the wedding was removed Tuesday at West Palm Beach, Fla., when Circuit Judge C. E. Chillingworth granted a divorce decree to Mrs. Marie Grammer Hitchcock, the groom's second wife, on her counter suit.

Hitchcock, however, still faces the possibility of a perjury investigation directed by the court at the time the decree was entered. The question raised was whether Hitchcock had perjured himself in obtaining a Florida marriage license by saying he was divorced.

Queen was used in the wedding here last night. In New York, William P. McCool, Hitchcock's attorney, said the Georgia license was obtained because no waiting period was required after the application.

The spacious living room of Judge McQueen's eight room home a few blocks from the Folkston business district was the scene of the wedding. The bride and groom were accompanied by a friends Judge McQueen said he believed to be Col. Arch Wall.

The bride, described by McQueen as a "right pretty girl," was attired in slacks and a print blouse. Hitchcock wore light tan slacks and a sport-shirt.

EARLY MORNING FIRE IS FATAL

Pittsburgh, Sept. 16 (AP) — Robert R. Klamann, 34, son-in-law of violinist Dave Rubinoff died today after his Beechwood apartment was swept by an early-morning fire.

His wife, the former Ruby Rubinoff, 29, daughter of the violinist, suffered only minor burns but was reported near collapse from shock. Rubinoff's brother, Herman Rubinoff, said the family was unable to locate the violinist. He is on tour, a phone call to his Encino, Calif., home disclosed.

Firemen quoted neighbors as saying Klamann apparently was trapped while trying to extinguish the flames in the living room of the apartment. He was found crawling on his hands and knees, his pajamas afire. Firemen said the fire apparently started in a sofa, possibly from cigarette sparks. The flames broke out about an hour after the Klamanns had retired.

Klamann was associated with the Music Corp. of America. He was an orchestra leader for several years and once was his father-in-law's booking agent. The Klamanns had been married 11 years, had no children.

POLICE WOUND MAN IN CHASE

Camden, N. J., Sept. 16 (AP)—A 35-year-old man was wounded early today in a marsh near his Pennsauken township home as he sought to flee from police who had arrested him on an assault charge, Police Capt. Willis Perkins said.

Perkins identified the man as Frank Severa and quoted him as saying he was an umpire in the Eastern league.

Perkins said he and Patrolman John Strymowski arrested Severa in

his home and started to take him to the Pennsauken township police station.

As they were leaving the house, Perkins said, Severa broke away and ran through the nearby marsh with the two policemen in close pursuit. Strymowski fired two shots in the air and then a third that struck Severa in the head, Perkins said. The wounded man was taken to Cooper hospital, Camden, where doctors said the bullet had struck him over the right ear and emerged at the right temple.

Perkins said Severa was arrested on a warrant sworn out by the mother of a 14-year-old girl. The time and place of the alleged attack were not disclosed.

TRUMAN, DEWEY EXPAND LISTS FOR CAMPAIGNS

(By The Associated Press)
President Truman and Gov. Thomas E. Dewey jotted down new stop-and-talk dates today as they put finishing touches on their cross country campaign plans.

Mr. Truman, who leaves tomorrow on a 16-day transcontinental trip, scheduled a three-day stay in Texas on the way back from the Pacific coast. He will return to Washington by way of Missouri, Illinois, Kentucky and West Virginia—all key states in his Presidential election drive.

Gov. Dewey meanwhile disclosed plans to take in the northwestern states of Montana, Idaho and Wyoming on his way back to Albany, N. Y.

Both men are due to make major speeches a day apart in Los Angeles. There a controversy developed.

Warren On Long Tour
E. George Luckey, chairman of the Truman-Barkley ticket committee in Los Angeles, said the President will have to use Gilmore Stadium for his September 23 talk because the Republicans had tied up the larger Hollywood Bowl "to rehearse some complicated lighting effects" for Dewey's appearance the next night.

Democratic National Chairman J. Howard McGrath promptly charged the GOP with "leaving an empty stadium" just to deny it to Mr. Truman.

Gov. Earl Warren, the No. 2 man on the Dewey team, meanwhile headed east from California on the

Firemen Rescue 24 From Ferris Wheel

Reading, Pa., Sept. 16 (AP)—Twenty four ferris wheel passengers received an added thrill at the Reading fair last night when a drive belt was torn, stranding them in mid-air for two hours.

Operators of the ferris wheel concession decided not to tamper with the machinery while there were passengers on the wheel and summoned the Reading fire company.

All 24 were removed by means of a hook and ladder truck.

THREE TRUMAN STOPS
Washington, Sept. 16 (AP)—Three stops will be made in Pennsylvania by President Truman's train when the nation's chief executive leaves on his western campaign tour Friday. The train is due to leave Washington at 10:45 a. m. (EST). It stops at Harrisburg from 1:25 to 1:30 p. m., arrive in Altoona at 3:55 and leave at 4:05 and be in Pittsburgh from 6:35 to 6:45 p. m.

start of his 30-state tour. He will spend most of the next two days campaigning in Utah. Senator Alben Barkley, the Democratic Vice Presidential nominee, was due to return today from Rome, where he has been attending the Interparliamentary Conference.

Henry A. Wallace joined the mounting word battle over farm price supports following a Chicago session with 40 third party workers from 15 states. The former Agriculture Secretary said he will make a "special appeal to the farmers that the ever-normal granary was my baby, and now it is their baby."

Yale will play seven home games during the 1948 football season, traveling to two contests—with Wisconsin and Harvard.

U.S. EXECUTIVE BRANCH GETS 'GOING OVER'

By JAMES MARLOW
Washington, Sept. 16 (AP)—The government is getting the biggest looking over it's ever had in history.

The general purpose:
To find out how the government can be run better and cheaper. For example:

By wiping out duplication in the things government agencies do, pulling sprawling-out agencies together, using fewer workers.

The job, nearing an end, has been going on for a year. It's been done with extreme quietness under the direction of the Hoover commission.

Headed By Hoover
This is a 12-man commission—six Democrats, six Republicans—headed by former President Herbert Hoover. Its full name is the Commission on the Organization of the Executive Branch of the Government.

Only the executive branch is under the microscope. So the other two branches—the legislative (Congress) and the judicial (the Federal Courts)—are not involved.

The federal government, with over 2,000,000 workers, has more employees than all states, city and county governments put together. They're scattered in about 1,200 separate bureaus and agencies. The jobs some of them do overlap.

Started Year Ago
In July, 1947, Congress voted unanimously to set up the commission to make the study. Under the act of Congress this had to be done: President Truman appointed four members of the 12-man commission;

House Speaker Martin, Massachusetts Republican, appointed four; and four were named by Senator Vandenberg, Michigan Republican, temporary president of the Senate.

But six of the men had to be Democrats, six Republicans. Mr. Truman named Hoover, the only living ex-President, chairman.

In September, 1947, the commission held the first of its many meetings. It began calling in the outside experts and set them up in committees or "task forces."

Some of these experts formerly worked for the government; some are top men in private businesses; some are college professors.

To Report in 1949
Twenty-three committees have been set up. Each has been assigned to examine a different phase of government activity. For example: veterans affairs, taxation, Indian affairs, national defense, farming, federal offices outside Washington, and so on.

As they finish their work, the committees turn their recommendations for improving the government over to the commission.

In January, 1949—after the new Congress gets started—the commission will turn over to it a general recommendation for improving the government. Then it will make specific recommendations. The commission goes out of existence within 90 days after making its first, general report.

Browning Ross, only American to reach the finals of the Olympic 3,000-meter steeplechase run, will compete for the Villanova cross-country team. He's a junior at the University.

Dr. N. S. Nicholas, Villanova Athletic trainer, can match his size against the biggest member of the Wildcat football team. Nicholas tips the scales at 260 pounds.

FARM PRICES ARE ATTACKED

Harrisburg, Sept. 16 (AP)—The federal farm price support program came under attack today by a farm group which termed it an "agricultural and political monstrosity."

Leslie S. Hubbard, retiring president of the Northeastern Poultry Producers' council, said the program has "artificially kept food prices too high and has balked the farmer's right to stand on his own feet and

do business in a free and open market."

At the same time, Hubbard said the council has asked the federal government to institute "a sharp downward revision of all price supports."

The council took the action at a meeting here yesterday in conjunction with its annual industrial poultry exposition now underway in the State Farm Show building.

"The price support law is a hopeless botch, forced through congress without consideration and thrown like a bone to the nation's farmers in a simple try to buy farm votes," Hubbard declared.

CIO-PAC Launches Drive For President

Harrisburg, Sept. 16 (AP)—The Pennsylvania CIO-political action committee today opened a statewide drive to range the labor vote behind President Truman for re-election.

Allan B. Kline, president of the American Farm Bureau Federation, took issue with the council's stand.

"Farm price supports are often cited as one of the main causes of high prices, when as a matter of fact, prices today are far above the support level, due primarily to unprecedented demand," he stated.

The committee bent to the vote-getting task after its state executive board met here yesterday and endorsed Mr. Truman for return to the white house.

The group at the same time voted to back "congressional candidates favorably considered by the national CIO on their voting records."

The PAC also endorsed Sen. Alben W. Barkley for vice president and the Democratic nominees for the state's two fiscal offices.

In the Middle Ages, hunting and fishing rights on his holdings were universally reserved for the lord of the manor.

DR. POLING TO BE CHAPLAIN OF CHAPEL SHRINE

Philadelphia, Sept. 16 (AP)—Dr. Daniel A. Poling assumed today a new title and ministerial role as chaplain of the Chapel of the Four Chaplains—inter-faith shrine born of World War II.

Grace Baptist Temple accepted his resignation last night as senior minister. While not entirely severing association with the city's largest Baptist congregation, Dr. Poling said his exclusive responsibility will be completion of the chapel.

The \$155,000 shrine is part of the temple premises and will unite a Hebrew, a Catholic altar and a Protestant pulpit.

Dr. Poling plans eventually to conduct regular Sunday services at the chapel, possibly having them broadcast, and also to have services conducted by leaders of other faiths. Only the chapel foundations, rough walls and concrete turnstile base for the revolving three altars have been installed at present.

"America," Dr. Poling said in a statement, "needs more than ever the unity for peace which was demonstrated by the four chaplains who gave their lives to enlisted men and in prayer went down together. Perhaps it is harder for us to live together as we ought than it was for them to die together as they did."

"It is my hope and prayer that this inter-faith memorial shall become a shrine to which men, women and children of all faiths and colors will repair to remember what four young men once did and to pledge themselves to keep the 'Dorchester' faith and purpose alive in the world."

CIVIL SERVICE EXAMS

By HUGH FULLERTON, JR.
Loch Sheldrake, N. Y., Sept. 16 (AP)—Back in 1939, Marcel Cerdan had a contract to fight Henry Armstrong for the welterweight championship in Paris. . . A war interfered, but Marcel has been thinking about world championships ever since. . . He and his entourage at Evans hotel may be the only ones who think Cerdan will lift the middleweight crown from Tony Zale next Tuesday, but they're very serious about it. . .

WAR IN INDIA UP TO COUNCIL

Paris, Sept. 16 (AP)—The United Nations Security Council meets today to see what can be done to stop the war in Hyderabad.

The complainant is Hyderabad. It seeks a cease-fire order, removal of invading Indian dominion troops from its Nizam's domains, and U.N. mediation of the dispute.

The council is meeting in the great hall of the Palais De Chaillot on Place Due Tracadero, where the U.N. General Assembly will convene Tuesday for two or three months to ponder the world's great problems.

Preparations for the assembly meeting already were apparent as the 11-nation council responded to the summons for the meeting on Hyderabad.

The assembly already has an agenda listing 60-odd items, including the frustrated attempts to settle the atomic and arms reduction issues. The assembly also has two new items of a unique character to consider.

One is the disposition of the pre-war Italian colonies—Eritrea, Libya and Somaliland. The big four powers failed to agree on their future.

TEN YEARS AGO HITLER SOUGHT MORE PRESTIGE

The following is the second of four articles on the anniversary of British Prime Minister Chamberlain's world-rocking attempt to appease Hitler, as eye-witnessed by the writer.

By DEWITT MACKENZIE
(AP Foreign Affairs Analyst)

The futility of British Prime Minister Neville Chamberlain's efforts at appeasing Adolf Hitler and so achieving "peace in our time" pivoted on a fact which wasn't realized even by German officialdom at the beginning of the negotiations at Berchtesgaden over the Fuehrer's demands on Czechoslovakia.

At that moment the Fuehrer wanted not a settlement but a "little war" to enhance his prestige, and so planned an assault on Czechoslovakia.

slovakia. The "big war" would come later.

The upshot of the historic parley at Berchtesgaden had been that the Prime Minister took back to England Hitler's daring and savage demand that he be allowed to annex the Czechoslovakian Sudetenland inhabited by Germans. There followed the momentous meeting between Chamberlain and French Premier Edouard Daladier in London on September 19—momentous because the trend of world destiny rested in the hands of two men. Wishfully thinking, they clung to the idea of placating Hitler. Czechoslovakia, the little new republic, was to be sold down the river in the supposed interests of peace.

Memorable Reception

Thus it came about that September 22 Chamberlain flew to Godesberg on the Rhine to try to buy European peace at Czechoslovakia's expense. A week earlier when he left for Berchtesgaden great throngs had cheered him as the emissary of peace. Setting out for Godesberg he was booed by one person in the crowd gathered in front of his Downing street residence, several clapped

hands, but nobody cheered.

I shall never forget the reception staged for Chamberlain by Hitler at the Godesberg airport. The dictator turned out a detachment of his famous death's head guardsmen—a grim looking lot in their black uniforms and fearsome insignia. As the Prime Minister descended from the plane the guards goosestepped toward him, their heavy, hobnailed boots crashing on the concrete runway with the inevitability of armed might.

It was truly a chilling exhibition and I have no doubt that Hitler deliberately arranged this display of brute force to frighten Chamberlain. I've often thought that probably the Fuehrer succeeded.

Bitter Battle

The battle between Hitler and Chamberlain was bitter, and the Nazi chief all but spat in the Prime Minister's face.

The conference was faced with the fact that while Czechoslovakia had bowed to the Anglo-French plan, she had sworn to resist armed invasion and had mobilized her troops. Hitler's final fierce word demanded (1) cancellation of the Czechoslovak mobilization order, and (2) permission for German troops or the Sudeten Free corps to march into the border land already sacrificed to the Reich by the Anglo-French plan.

The conference was close to a rupture when a harassed Chamberlain finally salvaged it with a mid-

in hospitals has increased tremendously, due principally to hospitalization plans, which permit more persons to use the hospital facilities.

"The number of nurses being graduated has not kept up with the demand and as a result the need for assistant nurses has increased. The Nurses' Aides proved so much more valuable than had ever been thought possible, that as a result the assistant nurses training program was instituted here and in other hospitals throughout the country, thus providing persons who

have some training, and can efficiently take care of the usual ward work thus releasing the registered nurse to give more time, unworried by the usual ward work, to the seriously ill and do work which only the registered nurses can do."

The certificates were presented by Walter Doud, administrator of the hospital.

Officials Present

The program opened with a procession of the graduates and Miss Benson, Mrs. Pauline Grosholtz, assistant director of nurses, Dr. Roy W. Gifford, surgeon, C. A. Bixler of the hospital board and Administrator Doud to the front of the church.

Following presentation of certificates Mrs. Grosholtz lighted a candle held by each graduate to symbolize that the assistant nurses are to draw inspiration from the registered nurses for their work. The graduates then presented flowers to Miss Benson and Mrs. Grosholtz. The pianist for the service was Miss Alma Chambers.

The graduates are: Mrs. Shirley Linta, who plans to work at Harrisburg; Mary Louise Roddy, Mary Louise Sanders, Agnes Neely, Phyllis McClellan, Mrs. Nola Craig, Alice Tressler and Florence Dillon, who plan to continue as assistant nurses at the Warner hospital here.

APPETITE AWAKENER

Brightest breakfast idea in a
month of Sundays... French
Toast Logs made like this: Break
2 eggs into shallow dish; beat
lightly with fork; add 1½ cups of
milk and ½ tsp. salt. Cut crusts
from 12 slices of
tender-textured,
oven-fresh MAR-
VELLENRICHED
WHITE BREAD

from the A&P. Dip each slice into
egg mixture. Brown lightly on both
sides in hot fat in heavy skillet.
Spread with preserves, and roll.
6 servings.

FRY THIS FOR SIGHS!

To make small fry finish their
farina... fry ANN PAGE MELLO-
WHEAT FARINA from the A&P.
Cook 1 cup of this pure, refined
wheat cereal in 1 quart of boiling
salted water to a thick mush. Pour
into small loaf pan; chill; turn out
and cut into five or six ½-inch
slices. Dip in seasoned flour and
fry to a golden brown in hot oil.
Let with bacon or sausage fat.
Serve with jelly, preserves, syrup.

JAM SESSION

I could eat jam-filled baked apples
for breakfast Sunday, Monday or
all days. To prepare them, I core
medium-sized apples, place them
in a baking dish, and fill each
cavity with 1 tbsp. of A&P's luscious
ANN PAGE GRAPE JAM. Then I cover the bottom of the pan
with water and bake in a moderate
oven, 375° F., 30 minutes, or till
the apples are soft, basting occa-
sionally with the liquid in the
pan.

Hopes Brighter Today For Averting Nationwide Strike Of Telephone Workers

"OPTIMISTIC" OUTLOOK FOR SETTLEMENT

(By The Associated Press) Hopes appeared brighter today of averting a threatened nation-wide strike by some 25,000 CIO telephone equipment workers.

The strike deadline is 5 a. m. (EST) Friday but a federal mediator said after all-night negotiations in New York he was "very optimistic" about a settlement of the wage dispute.

Representatives of the CIO Association of Communication Equipment Workers and the Western Electric company planned to resume sessions this afternoon.

Army Handles Own Cargo The union, whose members install and maintain central-office telephone equipment in 43 states and the District of Columbia, called the strike in support of 31 cents an hour across-the-board wage increase.

Later it was reported to have cut its demand to 11 to 16 cents an hour. Current wages average \$1.15 an hour.

In one of the nation's major strikes—the two-week-old work stoppage by CIO Longshoremens—the army prepared to use troops, if necessary, to handle military cargo at strike-bound west coast ports.

The troops will be used if enough civilian stevedores do not sign up, said Secretary of the Army Royall in Washington. The army was charged with "strike-breaking" by Harry Bridges, CIO union leader. The Longshoremens' union is boy-

cotting the army's invitation to load army supplies.

Resume Negotiations CIO pickets were in front of the army employment office at San Francisco and Seattle. Chief issues in the walkout are wages and a union-controlled hiring hall.

In the CIO oil refinery workers union strike on the Pacific coast, negotiations were resumed in San Francisco between the union and one of the six major struck companies.

In Richmond, Calif., scene of fighting at the Standard Oil company refinery Tuesday, Mayor R. H. Miller said representatives of the

striking union and two non-striking unions had agreed to extend indefinitely a "truce" that halted disorders around the plant.

Continue Efforts Wage negotiations between the union and the other companies have been temporarily recessed at the union's request. The union struck 13 days ago for a 21-cent wage hike above the pay scale of \$1.68 an hour. The companies have offered a pay boost of 12 1/2 cents.

Hugh E. Sheridan, a special mediator, continued efforts to settle the 16-day trucking strike in New York city by AFL Teamsters. After meet-

ing with the city's three key locals of the AFL International Brotherhood of Teamsters Sheridan said prospects were "not bad" for getting the unions to unify their varying wage demands and present a single set of terms to employers.

The milk supply situation was cleared up after the American Can Co., manufacturer of fiber milk containers, reached an agreement with Local 807 on the 17 1/2-cent basis. Local 807 started the walkout but

BOARD RECORDS "CONFIDENTIAL"

Harrisburg, Sept. 16 (AP)—The more than half of its 9,400 members have returned to work after 774 individual firms signed contracts granting the 17 1/2-cent hourly pay hike.

State Milk Control Commission insisted today that it would be a violation of commission law to make public its price records as demanded by the city of Pittsburgh.

The answer was filed yesterday by Commission Counsel Henry M. Bruner. At the same time, the reply said the city was out of order in filing the mandamus petition in its own behalf. The petition, the answer said, should have been filed by the Commonwealth in line with new State Supreme court procedure.

Interest be signed by the attorney general. The city requested access to the price records after the commission ordered a 1 1/2 cent boost in milk prices, effective Sept. 1 in the 12-county Pittsburgh marketing area. The city objected to the jump on the grounds that it was not "justified."

UNIFORM REAL ESTATE LEVIES RECOMMENDED

Pittsburgh, Sept. 16 (AP) — County commissioners were told today by John N. O'Neill, chairman of the state tax equalization board, they must shoulder the responsibility for establishing uniform real estate assessments.

Addressing the 62nd annual session of the Pennsylvania Association of County Commissioners the former Washington county commissioner said: "Uniform assessed valuations, once established and maintained, will have far less political dynamite than a hit-or-miss system of adjusting valuations under political pressure or adjustments by appeal to you or the courts."

Declaring that "disparities in local assessed valuations have resulted in an unequal distribution of state funds for school subsidies," O'Neill said the state equalization board was created last year "to correct those inequities." But, he added, "equalization of assessed valuations between properties and between districts is still the responsibility of local officials."

O'Neill said the board was given the job of determining the total market value of real estate in each of 2,544 school districts so that the state could make a fair distribution of state funds.

That procedure, beginning with the school year 1949-50, will affect commissioners since some districts will receive different sums than formerly, O'Neill said.

East Berlin

East Berlin—Mr. and Mrs. Harry L. Taylor and daughter, Evelyn, R. 2, have returned from a trip to Virginia where they were guests of the Vaughn family.

Walter D. Barnes, son of Mr. and Mrs. Clifford M. Barnes, has returned to Army duty after spending a week on furlough at his home. He has been at Fort Dix, N. J., but is expecting transfer. His brother, Guy E. Barnes, who joined the Navy shortly after graduation from the local high school last spring, and who has been at the Great Lakes Naval Training station, is also awaiting transfer and has been spending several days with his parents.

Miss Queenie M. Feiser, daughter of Mr. and Mrs. Maurice Feiser and an honor graduate last spring from the local high school, has left to begin her freshman year at Shipensburg State Teachers' college to which she was accompanied by her mother.

Mrs. Ida Benedick, Mechanicsburg, spent a day last week with her brother and sister-in-law, Mr. and Mrs. Charles L. Livingston.

The annual reunion of the Mummert family will take place for family and friends on Saturday at the Farmers' Grove near here, with a business meeting and entertainment program. In case of rain, the reunion will take place under a shelter.

Mrs. Margaret Seitz Cameron, of Mechanicsburg, has begun her duties as secretary of the Conewago Joint School system with her office at the local high school. Mrs. Cameron and her husband, Luther Cameron, plan to move shortly to the Mrs. Mary Stambaugh property which has been the home of Mrs. Elma Staub.

Mrs. Edward Mummert has returned after spending some time with her brother-in-law and sister, Mr. and Mrs. Isaac Harbold, Mechanicsburg.

No improvement is reported in the condition of Mrs. Clara M. Border, Hanover, formerly of here, who has been very ill at the Hanover hospital.

Fred Myers, son of Mr. and Mrs. Herbert Myers, is reported slightly improved but still seriously ill at the Hanover hospital where he submitted last week to an emergency appendectomy. His condition has been complicated by a sinus infection.

Mrs. Augustine J. Tierney was a visitor to Hanover relatives during the past week.

Sylvia Thomas, daughter of Mr. and Mrs. Albert Thomas, Reading Township, near here, has been ill at her home.

Mrs. Archie D. Himes, who was seriously ill for several weeks during the summer, is able to be about but remains in poor health.

Miss Mary Louise Altland, a graduate of the last class of the local high school, has left for Harrisburg to become a student nurse.

Miss Mae Bender Wolf entertained the junior choir of Trinity Lutheran church, which she directs, during the past week at a picnic at Helen's Place, along the Conewago Creek north of town.

International control for Samoa was arranged after a hurricane in 1889 wrecked rival U. S., British and German warships in Apia harbor during a dispute over sovereignty.

NEW LEAFLETS TO GIVE HELP ON U.S. TAXES

By CHARLES MOLONY

Washington, Sept. 16 (AP) — For the first time in history the tax man is going to tell you how to cut your payments to the bone — and in plain language, too.

About next January 1 you and 52,999,999 other taxpayers will receive a brand new pamphlet — "Helpful information on how to prepare your U. S. income tax return."

Unlike the old four page "instruction" leaflet — which stressed what you could not do — the new 16-page tells what you can do legally to make tax-paying as easy as possible on your wallet.

Bigger Print, Too

Though four times the size of the old tax guide, the new booklet contains less than twice the number of words and those are in larger print for easier reading. It also has a table of contents for quick reference to any problem troubling you.

Here's a sample of the new helpful

treatment: After setting down the rules of what you can and cannot do, the new guide gives a list of examples like this one to help you with your deductions:

"You CAN deduct cost of: safety equipment, dues to union or professional societies; tools and supplies; fees to employment agencies; entertaining customers; you CANNOT deduct cost of: travel to and from work; educational expenses; nurse-maids, even if she enables parent to work; entertaining friends; bribes and illegal payments."

Don't Remove Pain

There are examples also to show you what income you must report and what you may skip, as well as which dependents, losses, gifts, interest payments, other tax payments and medical expenses may be claimed for tax deductions.

Whether you use the long "form 1040" or the brief table form, the new pamphlet is designed to help you figure out the "lowest tax."

There's nothing in it, however, to make that March 15 deadline any less painful. You may understand it better, that's all.

KILLED BY FALL

Lancaster, Pa., Sept. 16 (AP) — Washington L. Lainhoff, 65, a city water inspector, died yesterday of injuries received Sunday when he fell from a roof of former school-

house near Bridgeport. Lainhoff was helping to convert the building into a residence for his daughter, and her fiancé, George E. Wennerholt.

FATHER FOUND GUILTY IN FATAL BEATING OF SON

Erie, Pa., Sept. 16 (AP)—A jury that went out at noon and returned at midnight last night convicted Ralph J. Hoge, 26-year-old iceman, of the second degree murder of his son.

The boy, Jackie, 6, died last May 30 from what a hospital pathologist testified was the result of repeated blows, "probably 100," from a web belt.

Hoge, considered a "model dad" in the nearby Harbor Creek community, contended he whipped the boy as punishment for the child's refusal to tell where he had hidden a toy hammer.

Took Verdict Calmly

Hoge took the verdict calmly and showed no emotion as each of the 10 men and two women of the jury intoned, "guilty of second degree murder," after his counsel requested they be polled.

His wife, Doris, who testified in his defense, was at his side as the verdict was read. He left the courtroom, a half-smile on his face.

Second degree murder carries a 10 to 20-year prison sentence. Judge Burton K. Laub said he would pass sentence later.

The state did not seek a first degree conviction. In his charge Judge Laub told the jurors they could find Hoge innocent or convict him of second degree murder, voluntary manslaughter or involuntary manslaughter.

Quotes Boys' Words

The jury returned once for a further definition of the word "malice." Judge Laub told them: "Malice as known in law is different from the popular concept. In law no particular ill will is required but in every case where malice occurs, it is indicated by wickedness of disposition, hardness of heart, cruelty, recklessness of consequences and a mind devoid of social duty."

In his testimony, Hoge testified he put the boy to bed after the whipping and massaged his wounds with vasoline.

"Jackie told me 'I still love you daddy,'" Hoge related. "Those were the last words my son said to me."

EX-PUBLISHER DIES
Phillipsburg, N. J., Sept. 16 (AP)—Richard Rauch, 82, publisher of the Mauch Chunk (Pa.) Daily News from 1905 to 1926, died yesterday in the Warren hospital. Before taking over the paper founded by his father, Rauch was employed by the

Truckers Settle Strike; 200 Quit

Seranton, Pa., Sept. 16 (AP)—Two hundred AFL truck drivers and helpers went on strike last night but an additional 325 reached a wage agreement with the Atlantic and Pacific Tea company.

The drivers hauling for the A & P company were called into a special meeting a half hour after the midnight strike deadline and announcement was made later that they had voted to accept a management offer of a 17-cent hourly wage boost.

Officials of the company and the union said the new rate for A & P drivers will be \$1.42 an hour while helpers will receive \$1.29 1/2 an hour.

The drivers and helpers involved in the settlement are employed by five draying firms hauling merchandise for A & P.

Meanwhile, drivers and helpers employed by 10 other hauling companies went out on strike with no further negotiating meetings scheduled. The strike action came after members of the AFL union voted to reject a management offer.

STATE HEALTH DEPT. SEEKING COUNTY HELP

Harrisburg, Sept. 16 (AP)—The state Health Department is seeking the aid of the Medical Society of Pennsylvania in providing follow-up care for school children with hearing and sight defects.

Two committees of the society have been asked for recommendations on the establishment or expansion of state clinics for treatment of defects uncovered by school medical examinations. As high as 40 per cent of the children examined have been found to have some defect.

The requests were made by Dr. Samuel J. Dickey, epidemiologist and medical consultant in the state Health Department.

Urge Further Exams
Discussing the proposal on sight clinics, the society's committee on public health legislation declared today in a report in the Pennsylvania Medical Journal: "They should

be under the supervision of recognized ophthalmologists, given further examinations and recommend treatment of visual defects x x x."

At the same time the committee on conservation of vision, headed by Dr. Josiah F. Buzzard, of Altoona, noted in its report that it favors "re-examination of school children who need further eye examination but believes they should be referred to the present clinics supervised by ophthalmologists and not x x x have this work done by optometrists with the approval of the school medical examiner."

Not Considered Capable
Ophthalmologists are physicians specializing in the treatment of diseases and defects of the eyes, while optometrists measure scientifically

the vision of the eye without use of drugs. A 1945 law provides that either ophthalmologists or optometrists can examine the eyes of school children.

The committee added "we do not consider optometrists capable of making a final examination of any defective or serious eye condition in a child, since it is not lawful for them to use the cycloplegic or mydriatic drugs essential to such an examination."

Dr. Dickey withheld comment on the report.

Yale's quarterback, Robert (Tex) Furse, had a passing average of .619 last fall. This was the best mark in the nation, including collegiate and professional circles.

Auto Swindler Is Held In High Bail

Philadelphia, Sept. 16 (AP)—A Maryland man accused of fleeing about 30 Philadelphia cars out of \$100,000 for new cars which allegedly were never delivered was held in \$25,000 bail yesterday for grand jury action on a charge of obtaining money under false pretense.

He is John Hamilton, 40, of Glen Burnie, Md., a former automobile salesman who was arrested near Baltimore Sept. 3 on charges pre-

ferred by several Philadelphia residents.

Detectives who testified at his hearing before Magistrate William Hagan said at least three Philadelphia physicians had been victimized by Hamilton. One physician, they

said, had paid Hamilton \$2,000 as part payment on a new auto which was never delivered. Another physician said he gave Hamilton \$1,500 as a down payment.

Many Sufferers Testify to Symptomatic Relief from Burning, Acid Stomach, Awful Gas, Ulcer Pains, Muscular Aches and Pains, Sick Headaches and Other Ailments Resulting from Hyperacidity.

MAKE THIS FREE TRIAL OF GARWOOD'S TABLETS

Don't neglect HARMFUL stomach acids. These excess, nauseating acids are a real danger inside of you. Not only do they make your food sour and indigestible, but they also eat into the lining of your stomach. Your organs become swollen and bloated. Your stomach is a nauseating, gassy mass. A warning to beware of Toxic infections, muscular aches, colds, constipation and other unhealthy conditions which you become susceptible to when excess stomach acids enter your system!

Begin Fighting Symptoms At Once!
But be careful. Don't use cheap, untried "alkalizers." Begin NOW to use D. J. Garwood's Private Formula. You can be certain that only pure medicaments are used in this unusual tablet.

One of these ingredients works almost immediately. Right from the first tablet it acts to relieve the horrible burning of stomach acids.

AVAILABLE IN

REA & DERICK Gettysburg, Pa.

Another of its properties carries the anti-acid action into the intestinal tract. And still another protects the delicate and irritated membranes by a pain-relieving coating action.

D. J. Garwood's Private Formula is available in handy tablets. It has included in it an ingredient which helps Nature herself to alkalize your stomach content and bring prompt symptomatic relief. That is why this formula has such amazing results. You, too, can join that vast group who have found it possible—after many years—to enjoy a normal meal, without extreme pain symptoms.

NOW D. J. GARWOOD'S TABLETS ARE OFFERED ON A MONEY-BACK GUARANTEE !!

Prove the power of this amazing formula yourself without risking one cent. Go to a Drug Store, and ask for the 33-day treatment of D. J. Garwood's Tablets. Follow carefully the instructions for 15 days. At the end of that time, you must be satisfied—no matter how long, or for how many years you have suffered—or every penny will be refunded at the very store from which you purchased them.

VFW HOME HAS SECOND FLOOR LOUNGE IN USE

Emmitsburg's Veterans of Foreign Wars post has added a second floor lounge to the post quarters on Center square.

The new lounge and game room is in the apartment formerly occupied by Charles Rowe, past commander of the post. With the removal of the Rowe family to West Main street, the veterans' post voted to utilize the second floor apartment as part of the post facilities.

Past Commander Rowe donated a portion of the furniture he had in the apartment to the post and as a result the lounge has already been placed in use. Ping-pong tables, dart boards and similar equipment for the post members have been placed in one of the rooms of the apartment.

Vernon Keilholz, commander of the post, today paid tribute to Mr. Rowe for donating the furniture to the post pointing out that, "through his generous offer the post has been able to begin use of these new facilities in record time. The expanding membership of the post made the previous facilities too crowded and the addition of the second floor apartment to the post home fills a need for more space that has long been evident. Because of the additional space far more facilities for relaxation and recreation are available."

No formal opening has been planned for the new addition to the post home. The lounge has also been made available to the post auxiliary for its use.

Miss Alice Taney returned home Monday afternoon after spending five weeks with Mr. and Mrs. Victor Emerson at Villa Nova, Pa., and Ventnor, N. J.

Mrs. Elmer Rise, Mrs. Ruby Watson both of Takoma Park, Md., and Miss Grace Rowe were dinner guests on Sunday of Mr. and Mrs. George Eyster.

30 Chiropractors Are Beegle Guests

The Harrisburg District of the Pennsylvania Chiropractic society met last Thursday at the home of Dr. D. L. Beegle, Emmitsburg, resuming a custom that had been in vogue for several years prior to World War II but which was abandoned due to travel difficulties during the war.

The group voted to meet again next fall at Emmitsburg with Doctor Beegle. About 30 chiropractors from Harrisburg, Lancaster, York, Lebanon and other Pennsylvania cities attended the meeting. A talk on "The Special Techniques of Dr. Benjamin Richter of Pittsburgh," was presented by Dr. Dewey Shank, Lebanon. Doctor Richter, outstanding Pennsylvania chiropractor, died about a month ago.

DR. BEEGLE IS INSTALLED AS PTA PRESIDENT

Dr. D. L. Beegle, Emmitsburg chiropractor, was installed as the new president of the Emmitsburg public school Parent-Teachers' Association Wednesday evening at the first fall meeting of the group held at the high school at Emmitsburg.

Doctor Beegle was installed, along with other new officers, by the retiring president, Weldon Shank. The other new officers include: George Wilhide, vice president; Mrs. Harold Hoke, secretary, and Mrs. Glen Springer, treasurer.

Due to the opening of school last Wednesday, the meeting was held on the third Wednesday and as a result, the Emmitsburg Gange,

which regularly meets on the third Wednesday, met with the Parent-Teachers' Association for the session.

Senator Storm Speaks

Following the business meeting of the PTA, the Grange presented its regular program, with the grange master, Maurice Zentz, presiding.

State Senator Edward Storm told the parents and teachers that the Emmitsburg high school will not be removed. His investigations led to that conclusion, Senator Storm said, and in addition, he said, he plans to introduce a bill into the next session of the Maryland legislature making it a matter of community vote to determine whether a school should be removed from an individual community. In that way, the people who make up a community will have a right to vote on the question and no school can be removed as long as the people wish to retain it, the state senator added.

Arvin P. Jones, new principal of the Emmitsburg public schools, met with the PTA to introduce the school's teachers and to discuss with the parents various matters relating to the school.

122 Enrolled

One hundred and twenty-two students have enrolled in the high school and 247 in the grade schools, Principal Jones told the group.

The teachers include, first grade, Mrs. Anna Leary; second grade, Mrs. Alma Jones; third and fourth grades, Miss Edna Stull, fourth and fifth grades, Mrs. Helen Walter; fifth and sixth grades, Miss Helen Martin; sixth and seventh grade,

A typical day for Mrs. Gray

These are the people she called:

		
Mr. Tompkins, the plumber, to please hurry over to fix a leak in the kitchen.	Henry's Market, to order a three days' supply of meat, vegetables and groceries.	Her husband, to remind him to pick up his new suit on the way home.
		
Mrs. Davenport, to find out where the next Ladies' Aid Meeting was to be held.	Her mother, by Long Distance, to wish her well on her seventieth birthday.	Dr. Sellers, to make an appointment to see him, for a routine check-up.

... and these people called her:

		
Mrs. Pullen, a friend, to invite the Gray family to a picnic.	Her daughter, age twelve, to ask permission to have lunch with a friend.	Her son, by Long Distance, to say he was starting home on his furlough.
		
Her husband, to say he was bringing home a business friend for the evening.	Mrs. Walter, a friend, to ask about a new recipe and to chat.	Mr. Wolf, the carpenter, to ask if it would be O.K. to begin repairs next week.

'PUMPING PAWS' TO BE FEATURE OF CAMPAIGNS

By JAMES MARLOW

Washington, Sept. 16, (AP) — I see by the papers Governor Dewey will do a lot of handshaking on his cross-country campaign to get elected president.

It seems his brain trust figures he ought to go in for it in a big way so people can see, close up, what a warm, friendly man he is.

In this way, the stories say, his advisors think he ought to pick up votes from people who never saw him at close range before.

President Truman, who wants to get re-elected, is quite a hand-shaker himself.

Big Enterprise

Right here in Washington handshaking is a big enterprise at the countless cocktail parties given by diplomats, private groups or business firms who want to win friends or get a little publicity.

I remember that one character a few years ago — he's still around — who wanted all the for-free he could get and, at the same time, being an aspiring young man, wanted to be seen in prominent places, talking to prominent people.

While I had a dizzy spell he talked me into going to a cocktail party at the French embassy for Leon Blum, one-time French premier, who was here on a special mission.

When we arrived, we saw two rooms. One, full of chattering people, was the room with the eats and drinks. In the other poor Blum was standing manfully, pumping the paws of the hundreds of people who moved past him in slow, single file.

Remarks Unimportant

I told the character "Let's skip Blum and go in here."

"Oh, no," the horrified character said. "One can't do that. We must shake hands with M. Blum. It's expected of us."

In we went. In 15 minutes we

Tired Kidneys Often Bring Sleepless Nights

When disorder of kidney function permits poisonous matter to remain in your blood, it may cause tagging backache, rheumatic pains, leg pains, loss of pep and energy, getting up nights, swelling, puffiness under the eyes, headaches and dizziness. Littlestown

Littlestown.—Troop No. 26, Littlestown Girl Scouts held their regular meeting Wednesday evening in the firehall. The leader, Miss Doris LeGore, resigned from that capacity but will serve as assistant leader. The assistant leader, Mrs. Richard Hartlaub will be the new leader. Fifteen members and four visitors were in attendance. Plans were formulated for a Halloween party, with the date to be announced later. The following committees were appointed: Decorating, Lois Sparver, Elizabeth Anne Crouse, Patricia Long and Carolyn Groff. Games: Louise Kerns, Mary Lou King, Joan Koonitz and Audrey Ellen Brumbach. Refreshments: Marilyn Spangler, Suzanne Harner, Mary Harner, Darla Lemmon, Dawn Pettijohn, Virginia Koonitz, Phyllis Hightbom and Shirley Crouse.

A reorganization meeting of Cub Pack No. 84 for the new scout year was held in St. John's Lutheran church on Tuesday evening in charge of the retiring cub master, the Rev. Kenneth D. James. The following is the result of the reorganization: Cub master, L. Robert Crouse; assistant cub master, the Rev. K. D. James; institutional representative, the Rev. Frank E. Reynolds; pack committee: Kenneth Myers, chairman, Stanley Horner, secretary-treasurer, George Stre-

reached Blum. The character bowed from the hips in the best continental manner and, with great feeling, said "Ah, Oui, Oui."

I was next. I said something to Blum like "Hajajaja" but Blum didn't look surprised and he said calmly to me something that sounded like "Hajajaja."

The character is still going to the cocktail parties, meeting the prominent people and eating free food. He's finally putting on a little weight.

COMPLAINTS ON
DESIGNS OF NEW
AUTOMOBILES

New York, Sept. 16 (AP) — The automobile club of New York said today complaints have been received from many of its members about their new cars.

Harry Marienhoff, manager of the club's service department, said reports from members showed considerable dissatisfaction over body designs of new models making them difficult and expensive to repair, and requiring garage alterations to house them. The reports, he said, came from new car owners among the club's 165,000 members in a 14-county area that includes New York city.

"Many drivers," he said, "have found the hoods too long and the seats too low."

"This involves a safety factor, as oftentimes it is impossible to see enough of the road directly in front of the car for the operator's protection."

Restricted vision of some of the new models, Marienhoff continued, had been found to make them difficult to park and had resulted in dented and scratched fenders.

The increased width and length of some of the new models likewise has been the subject of complaints, he said, with some club members reporting they had been forced to alter their garages to get cars inside. Marienhoff said a number of club members reported the sweeping contours that give new models a streamlined appearance also make fender and taillight replacements much more expensive.

Some complained that new body designs made engines more difficult to repair and tires harder to change.

TRUBLE AT NIAGARA

Niagara Falls, Ont., Sept. 15 (AP) — Their first trip to Niagara Falls proved disastrous to Mr. and Mrs. Sherlie N. Cooper of Indianapolis, Ind. Their sedan, containing their baggage and their belongings, started to move after they got out of it to take pictures. Before Cooper could do anything, the car plunged 50 feet into the Niagara river.

New Oxford

New Oxford—Mr. and Mrs. Eugene W. Sheely, who were married June 5, have both returned to their duties on the faculty of the East Berlin high school. Mrs. Sheely is the former Miss H. Jane Mummert, daughter of Mr. and Mrs. Oscar G. Mummert, near Red Run church.

Mr. and Mrs. Robert Perry, who, with their infant daughter, Lana Anne, have been residing with her parents, Mr. and Mrs. Leslie E. Reinecker, near Pine Run schoolhouse, left recently to make their home in Hanover.

Mr. and Mrs. George Stefan, the Misses Ethel Sheely and Lottie E. Kohler, with George Kohler, William and Edward Sheely, were among a number of guests at the recent corn roast conducted at the Hanover home of Mr. and Mrs. Maurice Heiser.

Miss Kathleen P. Swain, daughter of Mrs. Bernelle Swain, who has been suffering with a fractured leg for several weeks, has returned to her home after having been hospitalized last week for further observation. Mrs. Swain and daughters have moved from the house on Lin-

colnway east which they have occupied for several years, to the former William C. Alwine, Jr., house on the same street.

The local Lions club conducted its meeting several days ago with a meal served at Locust Inn, near here.

Miss Eleanor Miller, who left here recently to accept a position in New York city, has returned there after a brief visit to her family here. Miss Miller, a daughter of Charles F. Miller, is a former employee of the Farmers and Merchants' bank where Miss Betty Gable, a graduate of the last class of the local high school, has now accepted a position.

Miss Rose Agnes Stough, daughter of Mr. and Mrs. Carl Stough, and an honor graduate of the last class of the Delone Catholic high school, McSherrystown, has begun her duties as a student nurse at Fitzgerald Mercy hospital, Darby.

Robert Nicholas Heltzel, a boyhood resident of this section who, with his family, spends summers here, left last week for his winter home at Kingston.

Mrs. George E. Sheffer entertained the Women's Missionary society of the Lutheran church at the parsonage this week. She was assisted in presenting the lesson study by Mrs. E. C. Livingston.

Electrocute Negro
In Sailor's Death

Raiford, Fla., Sept. 16 (AP) — David Joseph Watson, 23-year-old negro, was electrocuted last night by the federal government for the murder of a sailor.

Watson went to the chair in the first federal electrocution in Florida's history at 9:11 p.m., and was pronounced dead a few minutes later.

Federal authorities permitted him to talk with his aged mother at Blue Ridge Summit, in Franklin county, Pa., shortly before the execution.

He was convicted of strangling a fellow sailor, Benjamin Hobbs, 19, of Nebo, N. C., aboard the USS Stripling at Key West two years ago.
